Catch the Ghost!

My name: _____ Age: _____

Go to **scratch.mit.edu** and click **Create**. Tick ✔ each box when you finish!

1 · Pick your spooky scene

- ☐ Click the **picture button** (bottom right). Pick a **spooky backdrop**.
- ☐ Click the **cat button**. Find the **Ghost** and click it.
- ☐ **Bonus:** add a **Bat** too!

2 · Make your ghost fly

- ☐ Click your ghost. Find these colours and snap them together:

```
when green flag clicked
forever
    glide 1 secs to random position
```

- ☐ Click the green flag. **green flag**. Your ghost flies!

3 · Catch the ghost!

- ☐ Add these blocks to your ghost too:

```
when this sprite clicked
say Boo! for 2 seconds
start sound (pick a spooky one)
```

- ☐ Click the green flag. Can you catch your ghost?

Super challenges AGES 8+

⭐ Add a score

Go to **Variables** → **Make a Variable** → call it **score**. Add `change score by 1` under `when this sprite clicked`.

⭐ More ghosts!

Right-click your ghost and choose **duplicate**. How many can you catch?
